The PDF file on the requested information is currently being generated. Please be patient and download the PDF file when it is ready.

Normally this will take 0 Minutes to generate the Pdf(s).
You may minimize the window and open after 0 Minutes

Delay in pdf generation might be due to several reasons

1. High Internet traffic.
2. Slow Connection from client to SSM e-Info server - dialup instead of broad band
3. Low computer memory at the client site
